Chat with your personal coach or generate a full plan

Hi! I'm your AI Health Coach. I have access to your health data and profile, so feel free to ask me anything about your fitness, nutrition, sleep, or wellness goals.

You already have a starter workout & nutrition plan available — check the Full Plan tab! When you're ready for a plan personalized to your exact data, just ask me or hit the "Personalize with AI" button.

QUICK QUESTIONS

- How can I improve my sleep?
- What should I eat before a workout?
- Am I hitting my fitness goals?
- How many calories should I eat today?
- Suggest a quick 20-minute workout
- How's my progress this week?
